

Turning resources

Local guy: John Lindner jdatjd@gmail.com

Youtube turners I've found most helpful

Mike Waldt https://www.youtube.com/channel/UCI_tt3HOlpZguB8ebtB4k1w

Carl Jacobson <https://www.youtube.com/user/haydenHD>

Reed Gray https://www.youtube.com/channel/UC7rV_Y9vwoTI18_dSSaffjw

Sam Angelos (Wyoming Woodturner)

<https://www.youtube.com/channel/UCRZxyT3UUS8spkIZDAaFnA>

Three long but engaging demos

Jimmy Clewes turns a platter (and wears his safety glasses as a hat):

<https://www.youtube.com/watch?v=SNDxDHShOL8>

Jimmy turns a square bowl: <https://www.youtube.com/watch?v=Vmz5BKXBGLA&t=2057s>

Stuart Batty turns a bowl with his 40/40 grind: <https://www.youtube.com/watch?v=N7BjRcSDurM>

Sharpening

Thompson tools sharpening pdf: <http://thompsonlathetools.com/sharpening/>

Thompson sharpening video: <http://thompsonlathetools.com/sharpening/>

Note that Doug uses “exploding” aluminum oxide wheels on a *high-speed* grinder. He doesn't seem worried.

Mark Supik turning workshops, Baltimore: <https://www.marksupikco.com/workshops/>

Stuff

Doug Thompson tools <http://thompsonlathetools.com/>

Meditations on Making

Very little turning, however, Natsuki Ishitani combines traditional Japanese forms and approaches with high-end power tools. <https://www.youtube.com/channel/UC7FkqjV8SU5I8FCHXQSQe9Q>
